PROCEDURE, IMPOUNDMENT, AND PENALTY PROVISIONS

SECTION NO. 11. Owner Responsibility. Unless a citation has been issued to the driver, the owner of a vehicle in violation of a restriction on parking or otherwise standing may be held responsible for the municipal offense. Provided, it shall be a defense in such a prosecution, if the owner can prove that the driver of the vehicle secured the use of the vehicle without the owner's consent.

SECTION NO. 12. Citation on Illegally Parked Vehicle.

(1) Whenever a motor vehicle without a driver is found parked or otherwise standing in violation of a restriction imposed by this ordinance, the officer finding the vehicle shall take its license number and any other information displayed on the vehicle which may identify its owner, and shall conspicuously affix to the vehicle a traffic citation for the driver to answer to the charge against him or pay the penalty imposed within five days during the hours and at a place specified in the citation.

(2) If the driver does not respond to a traffic citation affixed to such motor vehicle within a period of five days, the city shall send to the owner of the motor vehicle to which the traffic citation was affixed a letter informing him of the violation and warning him that in the event the letter is disregarded for a period of five days, a warrant of arrest will be issued.

SECTION NO. 13. Registered Owner Presumption. In the prosecution of a vehicle owner charging a violation of a restriction on parking or otherwise standing, proof that the vehicle at the time of the violation was registered to the defendant shall constitute a presumption that he was then the owner in fact.

SECTION NO. 14. Impoundment of Vehicles.

(1) Whenever a vehicle is placed in a manner or location that constitutes an obstruction to traffic or a hazard to public safety, a police officer shall order the owner or operator of the vehicle to remove it; If the vehicle is unattended, the officer may cause the vehicle to be towed and stored at the owner's expense. The owner shall be liable for the costs of towing and storing, notwithstanding that the vehicle was parked by another or that the vehicle was initially parked in a safe manner, but subsequently became an obstruction or hazard.

(2) The disposition of a vehicle towed and stored under authority of this section shall be in accordance with the provisions of Ordinance No. 18, Series, 1974, relating to impoundment and disposition of vehicles abandoned on the city streets.

(3) The impoundment of a vehicle will not preclude the issuance of a citation for violation of a provision of this ordinance.

(4) Vehicles reported stolen may be towed from public or private property and stored at the expense of the owner, if police processing cannot be reasonably accomplished at the point of abandonment, and if in the opinion of the police, processing is desirable.

(5) Whenever a police officer observes a vehicle parked in violation of a provision of this ordinance, if the vehicle has four or more unpaid parking violations outstanding against it, the officer may, in addition to issuing a citation, cause the

vehicle to be impounded. A vehicle so impounded shall not be released until all outstanding fines and charges have been paid.

SECTION NO. 15. Penalties. Violations of Section 1 through 14 are punishable by fine not to exceed \$500.00.

SECTION NO. 16. Severability Clause. If a part of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance.
